## Year 5 trip to the Mary Rose

On Wednesday, we visited the Portsmouth Dockyard and saw huge ships, which were the size of houses!

We went to the Mary Rose museum and learned lots of interesting facts - it was amazing. There was a dark room with projectors showing a 3D image of the ship getting ready to go to war and then it showed the Mary Rose sinking. We explored the artefacts on display, including human skeletons and even a skeleton of the ship's dog.

There was a drama workshop and we did role-play of the crew getting the cannons ready to fire against France.

At last, we saw the left-hand side of the Mary Rose – the real thing!! It was incredible.

## Year 3 Chocolate Workshop

To support our learning in Geography on 'Fair Trade', the children will be taking part in a chocolate workshop. This will involve using real cocoa pods and beans, learning where chocolate comes from, the process from bean to bar and the importance and science behind tempering chocolate. There will be some chocolate tasting using all the senses, finishing with some branding and hands-on chocolate making in the form of a chocolate pizza, which they get to take home at the end of the day.

The workshop will take place on Thursday 8<sup>th</sup> May 2024 and will be held in school.

We will be asking for a voluntary contribution of £9.00 per child, to cover the cost of the workshop.

Further details and access to payments on ScoPay will be available to Year 3 on Monday 29<sup>th</sup> April.

## Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
