Foster Care Fortnight 2024

Hampshire residents interested in fostering are being invited to come along to an informal in-person drop-in event at The Arc in Winchester on Saturday, 25 May from 2pm-4pm. Here they will have an opportunity to meet with the friendly team from Hampshire County Council's Fostering Service and learn more about fostering and the extensive training and support available.

The event forms part of the County Council's celebrations for Foster Care Fortnight (13-26 May), an annual campaign run by The Fostering Network to raise the profile of fostering and how it transforms lives. This year's campaign focuses on fostering moments, both big and small, which have defined individual fostering journeys, built confidence, and made children and young people feel safe and loved.

Visit the Hampshire County Council Fostering Service website to find out more about fostering, upcoming events, and for more information about the training and support available for foster carers. Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
