ZooLab Visit this Week

ZooLab was amazing! We held a snake, cockroach and a slimy snail! The lady was so funny! Everyone hated the snake and the cockroach. The lady had over 100 cockroaches and lots of snakes.

There was a large African snail called Jeffrey – how funny! We saw a tree frog and a massive tarantula. Did you know that normal spiders are more likely to hurt you than tarantulas? How crazy is that?!

We also saw a tree frog stick to a bowl – it was awesome! Thank you, ZooLab, for an amazing time.

ZooLab was fun! We held a giant African snail, a snake and a cockroach. We also saw a tarantula and a tree frog, which was fascinating. It was cool to see the tree frog stick to a whiteboard.

Lost Property

We have accumulated a considerable amount of lost property, which needs to be reclaimed.

Next week, at the end of the school day, we will endeavour to put it out on the tables outside the school hall. Going forward, any unclaimed uniform will be cleaned and made available as second-hand uniform.

Thank you.

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
