27th September 2024

Dear Parents and Carers,

Year 5 visit to Jubilee Park – Friday 11th October 2024

In Design and Technology, Year 5 have started a unit on 'Structures' working to meet the following design brief:

Design, make and evaluate a frame structure prototype for Pentagon Play, to propose a design of a piece of playground equipment we would like in our local area.

As part of this unit, children will be looking at existing park structures, how they are made and specifically how the joints are strengthened and reinforced. In order to bring this unit to life, we will be taking the children to Jubilee Park. Children will have the opportunity to explore the playground, look at how it has been made and bring their ideas back to the classroom to support with their designs and outcomes.

As this is a local visit, and we have consent for all children, we do not need a reply. However, if there have been any changes to medical needs, please let the office know immediately as they will also need this for their records.

Yours sincerely

Mx Colley and Miss Wade
(Year 5 team)
