The Big Adventure at Butser Ancient Farm

Yesterday, we went to the farm and it was very warm. We were excited and it was only a short ride away.

We did cave paintings, chalk carving, weaving and pottery. We learnt about the Neolithic period and it was so interesting!

ASDA Healthy Snack Donation

We were very lucky to receive a donation of Fruit from Asda this week, to help encourage the children to have a healthy snack at break times. Each classroom has been given a share for the children to try if they do not have a snack with them. The children have all given the thumbs up so far!

Thank you, **ASDA!**

Please note: Whilst we keep records of the children's medical information and are aware of specific allergies, we would like to remind you to keep us updated if any of this information changes.

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
