Dear Year 6 Parents

6 Free After School Swimming Sessions – Year 6 – November/December

I am writing to inform you about an exciting new opportunity for our Year 6 pupils at Hart Plain Junior School. We are thrilled to be offering a free swimming club, funded by the school, to help improve the swimming skills of our pupils.

This club is open to **non-swimmers**, or those unable to swim a length. There will be a different club running on a Monday, Tuesday, Wednesday and Thursday. This will run on the same night for a 6 week block. The children will not be able to move across to a different night. The club will run from 3:10 pm to 4:10 pm and the children will need to be collected by an adult.

Please note that we ask for a firm commitment to the 6-week programme, as spaces are limited. If you are interested in enrolling your child, you can sign up online through the QR code below.

We believe this club will be a valuable opportunity for our pupils to develop their swimming abilities and confidence in the water. Please sign up using the details on the flyer attached.

If you have any questions, please do not hesitate to contact the school office.

Many thanks for your support.
