Dear School Community

It is with a heavy heart that I share some sad news with you. Lorna Morgan, a former teaching assistant at our school, passed away before Christmas. This loss may particularly affect our Year 6 pupils who knew her.

We have not shared this information with pupils in school to avoid potential distress. We kindly ask that you use your discretion in deciding whether to share this news with your child, based on your understanding of their emotional readiness.

Our thoughts are with Lorna's family during this difficult time.

Open Box Theatre

Our commitment to bringing history to life has been wonderfully realised through the visit of Open Box Theatre Company.

Year 3 pupils were treated to an immersive learning experience about the Romans. The interactive sessions allowed our young historians to engage with this fascinating period in a tangible and memorable way.

Similarly, Year 4 had the opportunity to delve into the mysteries of Ancient Egypt. The Open Box Theatre Company's presentation brought this ancient civilisation to the forefront of our pupils' imaginations.

It was truly heartening to see the fascination and enthusiasm on our pupils' faces as they participated in these sessions. The ability to touch, see, and interact with historical artefacts and scenarios has undoubtedly enhanced their understanding and ignited a passion for history.

We look forward to continuing to offer such valuable experiences to our pupils in the future.

A Playground Plea

We kindly request that you refrain from discussing other children on the playground before and after school. Such conversations can be unhelpful and are not in line with our core values of respect and happiness.

We have also recently heard instances of swearing on the playground before school. Please remind your children to use respectful language at all times. Encouraging positive communication helps maintain a welcoming and supportive environment for everyone.

Additionally, we ask that you closely monitor your children before the start of the school day to ensure their safety and well-being. Thank you for your understanding and cooperation.

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
