## Rocksteady Music School

You may have heard your child talking about Rocksteady recently. This is something we are introducing to school very soon!

We are inviting parents in to school at 2:45pm on Wednesday 27<sup>th</sup> March to see what Rocksteady is all about. This will take the form of an assembly (with the children present!) where a performance will be given and the initiative explained. You will have the opportunity to ask any questions afterwards.

We do hope you will join us and we look forward to seeing you then!

## Join us on the afternoon of Friday 5<sup>th</sup> April

As mentioned in a previous newsletter, Mrs Kenny and I will be hosting an Easter Letter Hunt. We have now finalised details and a letter has been sent home today.

The children will be able to go home with you after the event. We shall be inviting you into classes from 1.15pm and children can be signed out at 1.45pm.

Please do come along and we look forward to seeing you.

## SLEEP SERVICE

**What is the Sleep Service?**

Children and young people with SEND (Special Educational Needs and Disabilities) are far more likely than their peers to have sleep problems. These may include difficulty going to sleep, waking frequently throughout the night or waking early in the morning.

The Sleep Service aims to support children and young people with sleep difficulties to sleep better, through a range of methods, tailored to each individual family. We offer support via workshops and 1 to 1 support depending on the child or young person's needs.

**What are the aims of the sleep service ?**

- To help children and young people with SEND to sleep better and therefore promote their daytime performance
- To provide parents and carers with specific tried and tested techniques to promote their child's sleep
- To deliver sleep workshops across Hampshire to provide parents/carers with skills to promote their child's sleep

- To raise awareness of the problems caused by sleep difficulties in children and young people with SEND
- To provide parents and carers, where appropriate, with behaviour support training and techniques.

**Who can access the Sleep Service?**

Any parent or carer of a child or young person aged between 1-17 years with SEND and sleep difficulties. That has links to the navy and/or lives in Hampshire

**How do I get support from the sleep Service?**

If you feel the Sleep Service program could be of benefit to your young person and family please contact us.

Referrals can be made directly to the Sleep Service by a Parent/carers or any professional.
