See Nature

We are very excited to tell you that a little blue-tit has chosen to make their home in our webcam bird box in our school grounds. You and your children will be able to watch live as they build their nest, lay their eggs, and raise their chicks before they fly the nest in the early summer.

Parents' Evening – Wednesday 31st March & Thursday 1st April

I would like to invite you to attend our Parents' Evening on Wednesday 31st March and Thursday 1st April. This is an important evening and provides you with an opportunity to discuss your child's achievements in school with your child's class teacher and the school SENCo if applicable.

The school has introduced a new intuitive and easy to use online appointment booking system. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. The meetings will be held via video meeting and can be accessed by phone, tablet, laptop or PC and can have the video function turned on or turned off if you would prefer.

Appointments are bookable now and will close on Tuesday 30th March at 4.00pm. Should you wish to make any changes after this date please contact the school office. Please visit <https://hpjs.schoolcloud.co.uk> to book your appointments. A short guide on how to book appointments is [available on our website](#).

Please login to the system with the following information:

Your Child's First Name

Your Child's Surname

Your Child's Date of Birth

If you do not have access to the internet, please contact the school office who will be happy to add appointments on your behalf or arrange an alternative.

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.

The Stubbington Study Centre

We were delighted to welcome The Stubbington Study Centre to our school this week. The children in Years 3 and 4 had a great day working outside in our lovely school grounds.

Year 3 have been building dens and looking at mammal hotels, whilst Year 4 enjoyed problem solving activities and also built dens! A good time was had by all.

Year 5 Virtual Session with Hampshire Fire and Rescue

On Monday 22nd March, the children in Year 5 will be joining a live virtual session with Hampshire Fire and Rescue Schools Education Team. This will be an interactive and engaging session where children will learn about Fire Safety and can ask questions of the team should they wish. If you want to find out more, please have a look at [Hampshire Fire and Rescue Kidzone](#). If you have any questions about this, please contact Mrs Tunnicliffe or talk to your child's teacher. Thank you.

We are continuing to log reading from home online!

This is a really quick and easy way to log your child's reading at home - you can do it from any device by logging into google classroom as well as through the MarvellousMe app on your phone. Teachers are then able to access this information to see whether your child is completing their daily reading homework. We have made this decision in light of the current situation and will review at Easter whether we will go back to using reading log books. We are trying to minimise the amount of items coming in and out of school. We are also continuing to set spellings online using google classroom. When you log into the classroom you will be able to see the spelling words that have been set for the week. Please continue to support your children to learn their weekly spellings. The children accessed this brilliantly when they were learning from home and we hope that this level of engagement continues.

READING RECORD

Mrs Tunnicliffe • Mar 6

Use this to record your reading at home rather than your reading diary. We will keep track of your reading and use this to award you your reading badges 😊

Remember it doesn't have to be just books that you are reading. It could be instructions, magazines, recipes, comics, information books, leaflets, online reading like Oxford Owl.

If you're reading, record it!

E-SCOOTERS

What you need to know

It's illegal to ride a privately owned electric scooter in public

Did you know it's illegal to ride a privately owned electric scooter (e-scooter) in public?

That's because e-scooters are classed as motor vehicles in law. So, in theory, this means that you need an MOT, road tax and insurance to use one, however it isn't currently possible to register e-scooters in this way.

Privately owned e-scooters can only be used on private land, with the permission of the landowner.

You cannot use a privately owned e-scooter on the road, pavement or in a public space. If you do then you risk receiving a large fine, points on your driving licence and your e-scooter could be seized.

Some parts of the UK are running government trials of rental e-scooters. If you're over 16 and have a full or provisional driving licence, then you can use these on public roads and cycle lanes.

Just check that your driving licence covers categories AM, A or B.
