Half Term

- Have fun!
- Play lots of games!
- Read lots!
- Log into TT Rockstars if you can!

Have a lovely break and recharge your batteries for the new term.

House Points

Blue	466	Green	549
Purple	513	Red	515
Yellow	474		

Congratulations to **Green** who have achieved the most House Points for this half term.

Track and Trace

The DfE has confirmed that schools need to be involved in track and trace during the holidays. Please only contact us if the following situations occur:

Has symptoms: if your child develops symptoms on Saturday 29th or Sunday 30th May:

- 1) Email the school at covid@hpjs.co.uk to inform us your child has developed symptoms.
- 2) Book a Covid test for your child.
- 3) Email the school at covid@hpjs.co.uk to inform us of the test outcome. Please include in the email: Child's name and class, the date they took the test, the date/time they first displayed symptoms, your contact name and phone number.
- 4) The school will only contact you in the event of a positive test result. Please ensure you answer your phone.

Is asymptomatic: (Has no symptoms):

- 1) Email the school at covid@hpjs.co.uk to inform us if your child had no symptoms but tested positive for Covid from a test taken on Saturday 29th or Sunday 30th May. In this email we would ask you to provide the following information: Child's name and class, the date they took the test and your contact name and phone number.

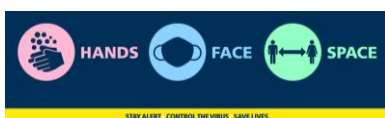

Please **do not** call the school as this is not a system that can be checked. The email address above will be checked regularly up until Wednesday 3rd June.

If your child develops symptoms from Monday 31st May and subsequently tests positive for Covid, the school **should not** be contacted. This is because they have not been in school for more than 48 hours before their symptoms began. Parents and carers should then follow contact tracing instructions provided by NHS Test and Trace.

There is no need to contact the school to inform us your child is isolating.

Informing Close Contacts:

Should we need to contact close contacts of a positive case, then we will do so via our communication system MarvellousMe. Should this affect your child then you will be sent a letter via MarvellousMe.

See Nature

It is now two weeks since our first chick hatched. Our eleven birds are growing nicely and mum and dad blue tit are doing a grand job of feeding them all!

It won't be long now before the birds are big enough to fledge the nest. What a wonderful time we've had watching them daily.

A message from The Stubbington Study Centre ...

"Dear parent/guardian

Stubbington Study Centre have some places left on their residential sports course which, subject to covid restrictions easing, will run during the summer holidays (26th to 30th July 2021). This long-running course is open to children currently in years 4 to 6. During the week they work with centre staff and experienced PE coaches, most of whom are qualified teachers. The children will receive coaching and play games in approximately 20 different sports throughout their 5-day stay at this Hampshire County Council centre. With opportunities to enjoy the free-time facilities and even a chance to go badger watching in the evening, children will take part in purposeful, physical activity in the outdoors within a safe and fun environment. The all-inclusive cost for this course is £200.

For more information and to obtain a booking form, please visit:

<https://www.hants.gov.uk/educationandlearning/stubbingtonstudycentre/summersports>

Please contact the centre on 01329 662244 before returning a booking form, to check that space is available.

Thank you. James Scarborough, Head of Centre"

After School Clubs

Thank you to those of you who have requested a place at the after school clubs, which will start after half term. A message will be sent via MarvellousMe to confirm your child's place.

Monday 31st May – Friday 4th June

Tuesday 8th June

Monday 14th June

Friday 18th June

Monday 21st June

Tuesday 29th June

Thurs 22nd July

Friday 23rd July

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.

National Book Tokens

National Book Tokens are offering schools the chance to win £5,000 of tokens for their library; enough to buy hundreds of new books!

We need to spread the word to our parents and carers, and the wider community to nominate us. The more nominations we receive, the higher the chance we will win.

To win £5,000 would give our library an amazing boost and encourage the children to read for pleasure – the prize would also help support our local bookshops.
