Year 6 visit to Fort Nelson

We had a great time at Fort Nelson - it was so sunny! We were met by a home guard and an ARP (Air Raid Precaution) warden. We took part in three different training exercises including practising how to hold a rifle (it was wooden!), how to throw grenades (bean bags), ways in which we can help during bombings and learning how to identify planes at night time. We also learned how to march in our squadrons. I really enjoyed it, but I didn't think it was fair that during WW2, women couldn't fight for their country!

Road Safety

A parent of another child has alerted me to the fact that one of our children is not crossing safely at the Hart Plain Avenue/Milton Road junction. The child has emerged from behind a stopped vehicle on two consecutive days on a scooter without looking and at speed.

Please, please, speak to your children about road safety, especially those in upper school who are coming in and out independently.

Music Tuition

We are currently setting up our provision for music lessons for the next academic year. We are intending to offer flute and guitar, but if there is a different instrument your child is interested in, then please let the office know.

Lessons will hopefully take place during the school day and will be taught in small groups with between four and six children in each. If your child would like to continue or be considered for lessons, please ask them to collect a letter and permission form from the office.

Bikes and Scooters

As with the Junior School, the Infant School have now taken the decision not to allow bikes or scooters on site for the remainder of this term. I believe that a number of our children use their facility and I respectfully ask that you follow their rule. Many thanks.

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
