All Change Day – Wednesday 7th July

Next Wednesday is All Change Day, which is an important day for the children. This is a chance for them to meet and work alongside their new teachers and familiarise themselves with their new class mates. We have carefully considered the risk assessment and systems in place to be able to complete this in a safe way.

Year 3 visit to Fort Nelson

On Tuesday, Peake class went to Fort Nelson. When we arrived, we were greeted by a lady with a spear. She turned out to be a Celt. It was a bit scary at first but she just wanted our help to decide whether we should fight the Romans or welcome them. Throughout the day, we behaved like Celts and learnt about the Romans. We were told a story in the round house, visited a Roman trading point and some of us even tried on some Roman armour. We ended the day by taking part in some Roman battle drills. We had a brilliant day and learnt lots about the Romans and the Celts.

After School Clubs End Date

Just a reminder that the last after school clubs will take place during the week commencing Monday 12th July. There will be no clubs after school during the last week of term. We hope your children have enjoyed the varied clubs that have been available this half term.

Music Tuition

Don't forget, we are currently setting up our provision for music lessons for the next academic year. We are intending to offer flute and guitar, but if there is a different instrument your child is interested in, then please let the office know.

Lessons will hopefully take place during the school day and will be taught in small groups with between four and six children in each. If your child would like to continue or be considered for lessons, please ask them to collect a letter and permission form from the office.

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
