Staff Changes

For September 2021 there are going to be some staff changes.

I am delighted to be welcoming Miss Golding and Mr Bird who will be joining the Year 4 and 5 teaching team at the start of term. They were able to join us for transition morning so the children in their class have already met them.

After 17 years it is with a heavy heart that we are saying farewell to Mrs Cooper. Mrs Cooper joined the school as my student all those years ago and has been instrumental in the schools' journey undertaking a number of roles during her time here. She leaves us to become a science advisor for the local authority which is her area of expertise. We know that she will be missed but will make an excellent contribution to science across Hampshire.

Mx Colley and Mrs Powers are leaving us after a successful year of teacher training to begin their teaching career. We wish you both all the very best as you start on this very exciting and rewarding journey.

Mrs Rogers has decided to pursue her talent of cake decorating and so will be retiring from school at the end of term. We wish you all the very best as you begin this new adventure.

Restrictions
 As per my joint letter with Mrs Kenny we will continue with the current restrictions until the end of term. We will therefore be holding our optional parent sessions virtually.

8th July 2021

Dear Parents and Carers,

You will have heard in the media that from the 19th of July, schools are able to relax some of the restrictions that have been put in place because of the Covid-19 pandemic.

Both Hart Plain Schools have tried to make sure that throughout this time the children, staff, and visitors to the schools have been safe.

As the restrictions can be lifted only four days from the end of the school year, both Head Teachers have decided that to try to ensure that you all get a full summer break and to try to stop any confusion within school, we will continue with the measures we have in place until we return in September. This does unfortunately mean that parents will still not be invited into school for any events.

We hope that you will think that this a sensible and safe way to continue as we try to come to live with this horrible virus.

We would both like to thank you for your support throughout this difficult time, and hope that next year may bring a little more resemblance of normality.

Yours sincerely

Ruth Kenny

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
