Contact with School during the summer break

Please be advised that during this year's summer holiday, we are setting up a new service where Sarah Atkins, the Family Support Worker, will be available to take phone calls.

She can be contacted on the school mobile number, 07950 764794 each Tuesday between 9:00am and 11:00am when she will be able to help with food bank referrals or any other family issue. Alternatively, you can text a message to this number or email Sarah at s.atkins@hartplain-jun.hants.sch.uk and when she is available, she will contact you. Please leave her a message together with your name.

Please do not use this service for an urgent safeguarding issue.

Just a reminder

Please do not send your child in if they are displaying any of the Covid19 symptoms. It is only with a whole community effort that we are able to keep everyone as safe as possible.

- 1) A temperature – hot to touch
- 2) A cough
- 3) A change in sense of smell or taste

A lateral flow test conducted at home is not suitable for symptomatic children.

Thank you for your continued support in this.

RSHE Curriculum

As part of our RSHE curriculum we focus on handwashing and keeping clean. We have recently been given a free sample of Lifebuoy hand sanitiser for each child and would like to hand these out next Wednesday, 21st July. Please let us know by Tuesday 20th if you **do not** wish your child to receive this. Thank you.

End of Year gifts

Some of our parents have asked if their child can bring in an end of year gift for their teacher. If you would like to do this, gifts can be placed in the class plastic tub on the last day of term – Thursday 22nd July. Thank you.

Upcoming Dates

| | |
|--------------------|------------------------------|
| End of Summer Term | Thurs 22 nd July |
| Inset Day | Friday 23 rd July |

INSET Days for 2021-22

- Friday 22nd October
- Friday 17th December
- Friday 18th February
- Friday 8th April
- Thursday 21st July – **not Friday 22nd** as previously mentioned.

DOES YOUR CHILD NEED A MEDICAL SPECIAL DIET TO EAT LUNCH AT SCHOOL?

If so, you need to create an account between **1 - 23 July** to register your child for a medical special diet.

Once you have created your account, we will be able to review your medical evidence with our NHS dietician in order to devise an adapted menu for your child's school lunch.

Apply by adding this link into your browser:

hants.gov.uk/hc3s-specialdiets

You can then manage your account quickly, safely and conveniently online. It only takes minutes and once you've registered, you can see your child's individual menu and update medical evidence details whenever you need to. We'll also be able to send you updates when your child's new menus are created.

You'll also find our special diet matrix online with a list of ingredients for our dishes from our 'classics' menu. As we always offer at least two dishes each day for school lunch, you may find that the alternative dish works and choose not to register your child. In doing so you are taking responsibility for your child's choice. However, we do always strongly recommend full registration for any child with food allergies.

Living with allergies comes with its own set of rules so when it comes to food, as education caterers, we want to make this as easy as possible for you as a family. Our staff are trained in food safety and regularly update their skills on allergens. We never underestimate the dangers of food allergies and intolerances and we know what a big deal this is for you as parents. Trusting someone else to feed your child is a huge responsibility. And that's why we work hard to get it right.

If you have any questions, you can call our team on **023 8062 9388** or email hc3sfooddevelopment@hants.gov.uk and one of the team will be happy to help you during office hours.

We hope your child will enjoy having a school lunch with us during their school journey and flourish.

Do something amazing today and help a family near you!

Home-Start Hampshire is a local charity supporting parents who are going through challenging times. Trained volunteers work alongside families to give compassionate and confidential support, tailored to each family.

At the heart of Home-Start Hampshire is our fantastic network of volunteers and as demand for support continues to increase, we are looking for new volunteers to join our team.

We have a wide variety of ways you can get involved; from training to be a family support volunteer, to joining one of our community teams to help with fundraising and raising awareness.

No matter how much (or how little) time you can offer, you can help make a difference to families in your local community.
