### Contact with School during the summer break

Please be advised that during this year's summer holiday, we are setting up a new service where Sarah Atkins, the Family Support Worker, will be available to take phone calls.

She can be contacted on the school mobile number, 07950 764794 each Tuesday between 9:00am and 11:00am when she will be able to help with food bank referrals or any other family issue. Alternatively, you can text a message to this number or email Sarah at [s.atkins@hartplain-jun.hants.sch.uk](mailto:s.atkins@hartplain-jun.hants.sch.uk) and when she is available, she will contact you. Please leave her a message together with your name.

**Please do not use this service for an urgent safeguarding issue.**

### Thank you so much to ...

- Our parents and carers for supporting the school and your children with their learning and for ensuring they attend well.
- Our pupils for working so hard throughout the year.
- Our staff for all your hard work this year. You all work extremely hard to further improve our school community and have already done so much in preparation for next year. Thank you very much.
- All our governors who give up their time voluntarily and who are so important to the success of our school.

I would also like to take this opportunity to wish all of our Year 6 pupils the very best as they move on to the next stage of their education. They have faced what has been a very difficult year with a smile and a can do attitude!

I do hope that everyone has a lovely summer holiday, and I look forward to welcoming all the children back on Thursday 2<sup>nd</sup> September. A separate letter has been sent with all of the information for next year.

With very best wishes,  
Charlotte Faithfull

## Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
