Attendance

Please **do not send** your child into school if they have any of the following symptoms:

a high temperature

a new, continuous cough

a loss or change to your sense of smell or taste

If your child is displaying one or more of these symptoms, then your child **must stay at home and self-isolate**. A PCR test must be completed and the pupil cannot return to school until a negative result is received.

Children's Parliament

We have been given the opportunity for one of our children to be part of a virtual Children's Parliament. Topics which will be covered include: Environment, Covid-19 & Technology. This will give the chosen child a chance to become more involved in politics in anticipation of the COP26 (2021 United Nations Climate Change Conference) with the hope of showing them the value that democracy and debate hold within our political system.

If your child is interested, they will need to write or dictate a 50-word explanation as to why they would like to represent Meon Valley in Parliament. Our senior leadership team will decide who should represent Hart Plain and their explanation will be sent away. It will be important that the child is comfortable on camera as they may be asked to give their opinion and represent their classmates/constituency during a live video call!

Entries should be passed to your class teacher and the closing date is Tuesday 21st September.

Good luck everyone,
Mr Pinder
