Individual School Photographs

The School Photographer will be visiting us on the first day back after the October half-term, Monday 1st November, to take individual photographs of the children.

The photographers remain concerned about offering sibling photographs, both for their safety and the quality of the posing and, on that basis, they will NOT be taking sibling photos this term; they will endeavour to maintain a 2m distance at all times.

Please note that the children in Year 4 have PE on this day. On this occasion, we would like children to come to school in their school uniform and to bring their PE kit with them. Many thanks.

PE Kits

As mentioned previously, the governors have agreed for the school to purchase a pair of black jogging bottoms for all of the children in addition to the house t-shirt we currently provide. This will enable us to ensure we have a PE uniform in line with our school uniform to ensure consistency throughout the week.

We now have all of these in school and they will be given out to children on the first day back after the half term – Monday 1st November.

PE kit from this point will be trainers, black jogging bottoms, house t-shirt and school jumper or cardigan.

Parents' Evening – 20th October 2021

Please do not forget to book an appointment to meet with your child's teacher to discuss how they have settled in to the new school year.

Please visit <https://hpjs.schoolcloud.co.uk/> to book your appointments.

A short guide on how to book appointments is [available on our website](#).

Please login to the system with the following information:

Your Child's First Name
Your Child's Surname
Your Child's Date of Birth

If you do not have access to the internet, please contact the school office who will be happy to add appointments on your behalf or arrange an alternative.

Harvest Festival Themed Assembly – Wednesday 20th October 2021 – Foodbank Donation

The theme for our assembly next Wednesday will be around harvest and the local foodbank. I would really like it if the children could bring in a donation for the local foodbank which we will be able to deliver on the inset day next Friday. Please only send in tinned cans rather than any perishables.

Thank you for your support with this.

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.

Sporting events this week ...

On Wednesday afternoon, Mrs Palmer and Mrs Muckelt took 15 children from across the school to take part in a fun run around Cockleshell playing fields in Southsea. There were 5 runs; Year 3/4 girls, Year 3/4 boys, Year 5/6 girls and Year 5/6 boys and then a run for everybody to do a final lap.

All the Hart Plain children showed grit and determination as they ran around the course with a smile on their faces. Mrs Palmer and Mrs Muckelt were very proud of the children, who when they weren't running, cheered the others on from the side-lines and showed a real team spirit.

Mrs Palmer was out on yet another school trip yesterday morning, this time with Mrs Mosely. They took 10 Year 3 and Year 4 children over to Horndean Technology College to take part in a Tri-Golf tournament. The children participated in a carousel of activities which saw them chipping and putting the ball towards targets and different coloured cones. The children did very well and despite not coming in the top 3, had a fantastic time and are eager to show off what they have learned in future PE lessons.

Congratulations to Lilly in Hawking class

Massive congratulations to Lilly in Hawking class who has been selected to represent The Meon Valley in the Children's Virtual Parliament. This will be held on Friday 29th October and will include discussions about the environment, Covid-19 and technology.

Well done Lilly - we are all really proud of you!
