Music Tuition

We are currently setting up our provision for music lessons for the next academic year. We are offering guitar, but if there is a difference instrument your child is interested in, then please let the office know.

Lessons will take place during the school day and will be taught in small groups with between four and six children in each. If your child would like to continue or be considered for lessons, please ask them to collect a letter and permission form from the office.

Stubbington Study Centre Residential Trip for Year 6

The activities at Stubbington were incredible. There were team and solo activities. One game involved our teachers, Mr Pinder and Mrs Palmer, dressing up as pirates! One team activity was called earthquake, where you would be put into teams and given lots of equipment you had to carry over obstacles. The dorms we stayed in were comfortable, humble and tidy (mostly!) They had multiple choices for meals too.

We hosted our very own Oscars in the lounge room of our dorms, which was great fun. One night we went to the hide where you could sit and watch foxes and badgers feast – that was my favourite part.

Become a Community Buddy

Davis, Abigail
Communications Team Leader

Hampshire County Council is looking for people to join its Community Buddy scheme.

Community Buddies enable children and young people with disabilities to access the community or participate in local activities, clubs or groups. They play a valuable role helping children and young people to take part in activities alongside their peers and supporting them to try new things.

If you're looking to make a difference in your community or you want to try something new, why not consider becoming a Community Buddy?

What will I get out of it?

- Do something different
- See your community from a different perspective
- Meet new people
- Learn new skills
- Valuable experience of supporting children and young people
- Enriching your CV
- Training provided
- Travel expenses paid for

Volunteers receive full training and ongoing support and supervision.

Training is available on the following dates:

Core Induction Day One

- Thursday 21 July or Thursday 13 October

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
