Message from Mrs Faithfull

We have come to the end of another very busy year. Everyone has worked so hard and is definitely ready for a rest and a recharge. On behalf of the staff I would like to wish you and your family a lovely summer.

We look forward to welcoming you all back on Monday 5th September at 8.30am. Have fun, play games and read lots!
Mrs Faithfull

Staffing Update

We are sad to be saying goodbye to Mrs Smith who has been our Finance Officer for a number of years. During the pandemic she moved to Oxford and has been carrying on with the job, but has made the difficult decision to leave us and find a position closer to home. She has been instrumental in many of the changes made to the school throughout my time as Headteacher and we shall all miss her. We wish her all the very best with her new job.

Message from our Governors

As we reach the end of another busy and rewarding academic year, the Governors wanted to write to all the of staff, the children and their families at HPJS. 2021-2022 has undoubtedly not been without its challenges, but we have continued to see the ethos of Hart Plain shine through whenever we visit and meet with staff and students.

It has been brilliant to see children benefit from trips, the residential, the forest school, Sports Day, the Year 6 Pantomime and visitors finally being allowed back on site.

As a Governing Board, we are always so proud to hear of the progress the children are making and the wonderful opportunities they are given. A big thank you to all the children for always making us feel so welcome.

We wish the whole HPJS community all the very best for the summer and look forward to working with you again from September.

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
