School Library

As a school, we borrow books from the School Library Service (SLS) so that our children have a wide selection of books that they can borrow from our library.

The SLS team are coming into school next week to check that we have all the books they have loaned to us. Please could you look at home this weekend and see if you have any library books with an SLS sticker on them and send them into school with your child on Monday.

Any books you can find, even ones from last year, will be gratefully received, thank you! They can be placed in the 'book returns' slot at any time on Monday.

Please remember our Harvest Festival – Monday 17th October

Our Harvest Festival assembly is on Monday morning. As with previous years, we are asking the children to bring in gifts of food, which will be distributed to the Waterloo food bank. The food bank is especially short of tea bags, sugar and cereals, but any donations of tinned food, soups, dried packet foods or jars would also be most welcome.

If you would like to help us celebrate by donating a gift, please send it into class with your child. They will then take their gifts into assembly on the day. Thank you for your support.

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
