Author Visit

Last week, Emma Carroll (the author of Letters from the Lighthouse and Secrets of a Sun King) visited us and led a writing workshop. We took part in some writing exercises where we got ideas for stories using pictures and objects. After we had discussed some of our ideas we had 2 minutes to start writing a story; she told us not to be worried about handwriting and spelling at this stage but focus on our ideas. This was very successful and lots of us shared some great story starters at the end of the session. Despite the fact that this was not neat, we managed to create good pieces of writing that we were proud of. Another idea she gave us was to write about our favourite things set in a place we like to imagine, with our favourite weather and a character who has a secret talent. We were lucky enough to get our books signed by her too.

From her biggest fans in Franklin class!

Classroom to 5km!

Massive congratulations to Spike (Year 6) and Summer (Year 5) who succeeded in running 5km after taking part in the Classroom to 5km after school club with Mrs Palmer. In the space of 6 weeks, both children showed great determination and resilience which enabled them to go from running for less than a minute to 5km. We are all very proud of their achievement.

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
