Pupil Voice

A key focus for this year is that our pupils are able to take responsibility across the school and also influence change. With this in mind, we have introduced a number of groups this year that are being led by the staff. During the academic year they will be sharing information through the newsletter.

Our groups this year are: Young governors, community leaders, online warriors, digital leaders, librarians, young fundraisers, learning leaders, sports leaders, junior road safety officers, grounds keepers, equalities and rights advocates (EARAs), happiness champions and music critics.

World Cup – Opening Match

I am sure that everyone is excited for the start of the World Cup this weekend. With this in mind, we will be streaming the first England match on Monday in school. We recognise that lots of the children will not want to miss it and that this is the only match scheduled to take place during the school day.

World Diabetes Day

Thank you to all those children who wore blue and made a contribution on Monday. We raised £142.96 for the charity.
