Parent Governor Vacancies

An exciting opportunity has arisen for you to become one of our parent governors. We currently have two vacancies. Hart Plain Junior School values the partnership it has with parents which undoubtedly brings great benefits to the children. One of the most significant ways you can help in promoting this aim is to volunteer to be a parent governor.

The governing body's main tasks are:

- to ensure that the school has a clear vision, ethos and strategic direction;
- to hold the Headteacher to account for the educational performance of the school and its pupils;
- to oversee the financial performance of the school, making sure its money is well spent.

A letter has been sent out along with an application form. These are also available on the website under the community and governors section. We look forward to hearing from you.
