Dear Parents and Carers

Welcome back everyone. We hope you had a lovely Easter break. Well done to the children – they have come back recharged, calm and ready for the new challenges that await them for the summer term.

Please remember to look out on the upcoming dates section for any future events.

The Coronation of King Charles III

We are beginning to prepare how we will be celebrating the coronation of King Charles III at Hart Plain. On Friday 5th May, we would like the children to dress up in red, white and blue. We will also be holding a whole school picnic at lunchtime.

Keep your eyes peeled for further details of the activities the children will be taking part in on this special occasion.

PE Days This Term

- Monday Year 3 & Year 5
- Tuesday Year 4 & Year 6

Please note that on Monday 1st May and Monday 8th May, Year 3 and Year 5 will have PE on Friday due to the Bank Holidays.

School Uniform

We have noticed an increasing number of children who are not wearing correct school uniform. Class teachers have been asked to contact parents of children who are repeatedly not in the correct uniform. This includes appropriate footwear. Trainers should not be worn unless it is a PE day and leggings should not be worn instead of trousers.

Thank you for your support.

Step by Step Assembly

On Wednesday, Charles from the charity Step by Step visited us to talk about youth homelessness in our integrity assembly.

At Step by Step they passionately believe in supporting local young people who are going through hard times. They take a unique step by step approach, providing accommodation, personal development opportunities, and specialist support services to help young people to identify and fulfil their aspirations.

He told us all about Callum's story and how he ended up homeless - it was really sad that he had to leave his home because of lots of arguing but he eventually got the help he needed and accommodation from Step by Step. He also told us 'The Starfish Story' which taught us that even if we only help one person; we can make a huge difference to that one person's life.

Year 4 trip to Winchester Science Museum

It was an amazing place! My favourite was the marble contraption - it had magnetic pieces and an airway. There was a gym and it was great fun; there were three levels, easy, medium and hard, but hard was very hard!

The crane was also brilliant. It had an up and down wheel, and left and right pulley.

There was a big guitar and you could actually climb inside it! It was very noisy and the strings were really hard. We all had a great day at the museum.

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
