Bikeability for Year 6

Hampshire Outdoors have offered the children in Year 6 the opportunity to take part in Bikeability training. This is the national cycle training programme supported and funded by the Department for Transport. The main aim of the course is that children will be able to make a short journey in a safer manner and be more aware of road safety issues.

If you would like your child to participate in the training, then please complete the permission form, which they should have brought home this week, and return to school as soon as possible. The training will run from Monday 10th to Wednesday 12th July 2023.

Leavers' T-Shirts

Miss Jones has kindly organised Leavers' T-Shirts for Year 6 to purchase if they wish.

We are hoping that the children will be able to wear these to school in their final week. An order form has been sent home for you to select your size – we recommend going bigger as the T-Shirts are non-returnable. The cost will be £14.45 each and payments should be made through ScoPay.

Thank you.

Change to School Meal Price

The current economic climate continues to be a challenge for all and HC3S is also facing significant increases in food and pay costs. Consequently, HC3S must increase the school meal price by 20p, from £2.80 to £3.00, from Monday 5th June.

These are challenging times for everyone, and this decision was not made lightly.

Attendance

Attendance figures for this week:

| Class | Attendance | Lates |
|-------------|------------|-------|
| Anning | 96.4% | 5 |
| Potter | 99.5% | 3 |
| Jenner | 95% | 0 |

Walk to School Week 2023

Your school is supporting 'WALK TO SCHOOL WEEK' Monday 15 May - Friday 19 May

How can I help?

- Walk with your child and discuss potential hazards such as driveways, junctions, parked cars and bends
- Work out together the safest route even if this involves a slightly longer journey
- Let your child suggest places to cross and discuss their choice
- Practice the green cross code on your way to and from school - reminding them to stop, look, listen and think

I don't have time to walk!

- Park the car some way from the school gates and walk the last part of the journey
- Try to find time to walk with them once during the week
- Your child will qualify for a certificate if either option is taken

What are the advantages of walking?

- The chance to teach important road safety skills which cannot be taught in a car
- The chance to learn about the local environment
- A chance for a chat about the day
- Less congestion at the school gate
- A healthier way to start the day

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.

RSE Parents' Meeting

Please note that the morning RSE meeting on Tuesday 16th May will now take place at 10:00am and not 9:30am as previously mentioned.
