## End of the School Day

If you know you are going to be late collecting your child, please phone the school by 3.00pm. The office is not able to answer the telephone between 3.10pm & 3.20pm each day, as they are facilitating safeguarding procedures at the end of the day. Please do not rely on the answer machine as this will not be checked during this time. If you have alternative collection arrangements for your child, you should inform the class teacher or school office at your earliest opportunity.

## Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
