Able Maths Day Event

On Wednesday, four of us from Year 5 and 6 went to Horndean Technology College.

There we made Lego and calculated the area of it, and then we learned about the sea affecting Portsmouth's coastline. It was great fun! We also did a competition to see who could upgrade Portsmouth's coastline the most.

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.
