## Building Works – No Site Access

Please ensure you read the joint letter from myself and Mrs Peckham.

After Easter:

No parents will be allowed on site for drop off and pick ups  
No access from the Milton Road gate.

## Staff Leaving

We would like to wish a fond farewell to the following members of staff and to thank them all for their contribution to our school community.

Mrs Palmer – thank you for all you have done to support the children being active in school. Mrs Palmer has worked with all of the children in PPA and has also lead a number of sporting trips throughout her time with us. She was also instrumental in the school achieving our Gold Sportsmark Award. She will be missed by all of the staff and children and we wish her all the very best in her new career away from education.

Mrs Prosser – thank you for all the support you have given the school throughout your time with us and in all the roles that you have undertaken. Mrs Prosser currently looks after all of our displays throughout the school and has made such a difference to the environment within the school. We shall miss her endlessly positive attitude and her amazing creativity. We wish her all the very best in her retirement.

Miss Tickner returned to us for the second time in December and has been an asset to the team. Her boundless energy and enthusiasm and support for our pupils will be missed. She leaves us to train to become an air hostess and we wish her the very best of luck.

## Hampshire Library Update – New Groups

Please find details of two new groups starting in Hampshire Libraries in April:

**New Parents Meet and Connect** -These new sessions are perfect for new babies and first-time parents/carers in the early days. You will be supported to explore a range of sensory equipment with your baby and have a chance to connect with other new and first-time parents. These sessions are free, there is no need to book, but places are limited. Sessions start in April, to find your closest session please use the

link: <https://www.hants.gov.uk/librariesandarchives/library/events#.Parent-support>

**First words together** -Babies communicate long before they start to talk, through gestures, showing and giving objects, pointing, and vocalising. Sharing books and interacting through books from when babies are very young supports communication and language development. If you would like support to build your confidence to support your baby's communication, please contact ChatHealth to request a place on the new First words together courses for parents and carers: <https://www.hampshirehealthyfamilies.org.uk/chathealth>

## Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.

## Letters Home

Please check your inbox for the following letters, which have been sent home this week:

- Trip to the Mary Rose Museum – Year 5
- Joint Hart Plain Infant and Junior letter about site access
