Open Box Theatre – Year 5

Hi, I'm going to share with you our Open Box Theatre experience. This week, the whole of Year 5 learned about the Mayans and we really enjoyed it!

Did you know that the Mayans believed having a big nose was beautiful, so people would often shape mud around their noses?! Additionally, they also had many stages of heaven – perhaps why their temple was shaped as it was. They also shaped their skulls like maize – ouch! Maize is like corn on the cob.

We really hope they come back soon.

Signposting

Please note from time to time we signpost families to local activities and clubs. Whilst we are selective in what we send out, this should not be seen as a recommendation or endorsement. We do not carry out the same checks for signposted activities as we would for those activities hosted with the school and parents should therefore satisfy themselves that they are happy with the organisation and their activity.

"At the centre I draw and write and go on the slide," Faisal,* 5, says. "I paint! I paint everything! Especially bears."

THANK YOU, Hart Plain Junior School - YOU ARE FUNDRAISING STARS!

We would like to say a **great big thank you** for raising a fantastic £130.62** through your fundraising.

Save the Children exists to help children reach their potential so they can become who they want to be. This is possible thanks to supporters like you.

Faisal is a refugee. His family had to leave their home in Syria because it wasn't safe there.

Faisal now lives in a camp in Jordan. Life here isn't easy for children, but it seems nothing can keep Faisal from spreading his wings.

Faisal attends our early learning centre in the camp. He'll be starting school next year, so we're making sure he's ready to hit the ground running.

The centre also gives Faisal a safe space to use up his endless energy. He can chat, bash the tambourine, swing on the monkey bars, build forts, and come up with his next big idea.

Thank you for helping children like Faisal all around the world!

Best wishes
