Pop Up Swimming Pool

Our Year 4 pupils have begun their swimming lessons this week in our new temporary pop up pool on site. It has been lovely to see the pupils so excited and engaged in their lessons. We cannot wait to see the progress they will make over the next 3 weeks before we then move over to the Year 5 pupils.

FREE AFTER SCHOOL SWIMMING YEAR 5 & 6

There are still spaces for the after school sessions which are open to Year 6 and we are now extending to Year 5. Children must only sign up for one of the evenings. Please refer to your emails for further details.

The Empowerment Approach – Zoom Presentation from Kit Messenger – Free Gift and Raffle Prize Entry - Tuesday 19th November - 7.30pm.

Following the launch of our new approach and our Pro-Social and Pro-Learning Policy being sent out in September, we are excited to invite you to join Kit Messenger for a Zoom Presentation to introduce our new approach and to understand how it works.

The Empowerment Approach is very different to our previous Behaviour Policy and one that we feel will better equip our children for their future. We want to empower our students now to support their future self. Only by making people feel better can they do better!

What does the Empowerment Approach mean? Why do we not use traditional sanction systems at Hart Plain Junior School? What does this mean for my child? Can I use this approach at home?

How can you join? There are two ways...

In school – Join us as we stream the Zoom meeting live in school. We always love to have the children in school but would ask that this is an adult only event. We will also provide refreshments and cakes. Please register your interest in attending by completing this form: <https://forms.office.com/e/2nN99GY9TX>

At home – Join the Zoom presentation from Kit Messenger from the comfort of home. Meeting link and joining code

FREE GIFTS – For all those that attend, your child will receive a free gift. A leaflet will be sent home next week with details on how to claim. Simply write the code word that Kit mentions in her Zoom on the back of the leaflet supplied, along with your details and return to the school office by Friday 22nd November. You will also be entered into an Xmas Hamper raffle.

Think Pharmacy First!

Did you know that you can take your child to your local pharmacy and get treatment for five medical conditions? These are:

- Ear ache (children aged 1-17)
- Sore throat (over 5s)
- Infected insect bites (over 1s)
- Impetigo (over 1s)
- Sinusitis (aged 12 and over)

If your child is poorly with any of the above conditions, by going straight to your local pharmacy you can have a consultation with a trained pharmacist and receive advice and even medication (if appropriate) and your child can get back to school sooner.

Visit our Pharmacy First website to find out more.
