**CHRISTMAS
JUMPER DAY**

Year 4 visit to The Sustainability Centre

We got off the coach and talked a little bit about what we would be doing.

Then we went to Salt Hill and learned about what happened in the past. We also learned that there are 'easy care' sheep, which are sheep that can take wool off by itself!

Then we had activities and the first two were grinding seeds to make flour, the other one was to toast bread so that we could eat it! Then we had our lunch.

In the afternoon, we did two other activities. One was to make fences, the other was to print leaves by putting it on cloth and folding it, and then to bang it with a hammer.

We had a great day!
By Devyam in Darwin.

Swimming Lessons

Year 5 will be starting their swimming lessons next week, from **Monday 2nd December 2024**.

Please remember to bring your kit!

Christmas Shop

It's that time of year again where Christmas creeps up on us very quickly! Once again, we will be running the 'Christmas Shop' for the children in December. We are asking for good-quality donations or unwanted (and unused!) gifts. If you have anything suitable, please drop it in to the school office at your earliest convenience. Thank you!
