

### Experiences

Circus Skills - parents invited to see children perform - more info to come

Church Visit to learn about Easter for Christians

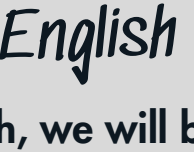

### Computing

In computing, we will be learning new skills within word processing. We will be looking at how to text format, which will include changing text size, font and colour and adding images and lists.

### Physical Education

In P.E, during our class teacher led sessions we will be doing badminton, focussing on rallies, team work and control.

### English

In English, we will be using the text stimulus of 'Where The Poppies Now Grow' to write a recount using a flashback to the past. We will then be using 'Leon and the Place Between' to write a setting description.

### Personal Development

This half term, the children will be learning about growth mind set.

### Religious Education

In R.E we will be studying the concept of Passover and the Exodus of the Jews and why freedom is important in the Jewish faith.

**Year 4**  
**Curriculum Overview**  
**Spring 2**

### Maths

In maths, we will be starting the term looking at our multiplication and then fractions.

### Art

We will be looking at patterns in nature, making a printing block to transfer our image onto paper.

### History

In History, we will be learning all about The Anglo Saxons. We will be looking at how they lived and comparing this to how we live today.

### Science

In Science, we will be completing our digestion unit from last half term. We will then move on to Living Things and looking at classification keys to group living things in different ways.

### French

In French, we will be practising our vocabulary linked to presenting ourselves, looking at our age and where we live.
