

Experiences

A trip to Butser Ancient Farm to learn about the lives of the Vikings.

A trip to Hart Plain Church for a workshop based around the Christian idea of temptation.

Computing

In computing, we will be learning new skills within Purple Mash to create our own digital animations. In online safety, we are looking at how to protect our online reputation.

Physical Education

In P.E, during our class teacher led sessions we will be doing rounders, where we will practise our bat and ball skills, alongside teamwork.

English

In English, we will be using the text stimulus of 'The Boy at the back of the class,' to learn more about the life of a refugee, seeking asylum. We will then use this to write from the perspective of Ahmet, our main character in our book.

Personal Development

This half term, the children will be learning about keeping safe and how our bodies change when we enter puberty.

Religious Education

In R.E we will be studying the concept of Temptation and the links to Christianity. We will be linking this to our own dilemmas we have in life.

Year 4

Curriculum Overview

Summer 2

Maths

In maths, we will be moving onto our new topic Coordinates and focussing on our timetables for the timetable check.

DT

In DT we will be looking at how circuits work, and then making our own circuit to build a working torch.

History

In history, we will be looking at the Anglo-Saxons and Vikings by asking and answering the question, 'what did the Vikings achieve by invading Britain?'

Science

In science, we will be looking at making electrical circuits work, this will support our understanding with our DT journey.

French

In French, we will be practising our vocabulary linked to explaining what we could find in our classrooms.
