12<sup>th</sup> September 2025

Dear Parents and Carers of Year 4,

### **The Sustainability Centre Trip for Year 4**

This term the children in Year 4 will be studying the UK in Geography and we have an exciting opportunity to visit the Sustainability Centre in East Meon to understand more about our local landscapes and compare these landscapes to the cities around us.

- Children in **Hawking class** will be attending the visit on **Tuesday 23<sup>rd</sup> September**.
- Children in **Nightingale class** will be attending the visit on **Wednesday 24<sup>th</sup> September**.

The coach will be leaving school at 9.30am so morning arrangements will remain the same and the children will be back in school in time for a normal school finish.

Children will **NOT** be required to wear school uniform for this visit, it is advised that the children wear clothes that will keep them warm and that you will not mind them getting muddy. If your child has wellies or boots please ensure they are worn as the children will be working outside. Please also ensure that they have a coat and ideally layers. Children will need to bring a packed lunch in a carrier bag which they will be able to dispose of. If your child is eligible for free school meals and would like a packed lunch provided, please order in advance via the consent form on ScoPay.

**We ask for a contribution of £4.75 per pupil**, to cover the cost of the coach. *If a significant number of parents are either unable or unwilling to make a contribution towards the cost of this visit, then either this, or subsequent visits may not be able to take place.*

**Please visit ScoPay, our school payment system, to make a contribution and complete the consent form as soon as possible, in order to give permission for your child to take part.**

Thank you for your support.

Yours sincerely

Miss Wade and Miss Kelly  
Year 4 Team

*\*In line with the Governors' Policy on charges for school visits, we are obliged to inform you that parents cannot be required to make such a contribution, and that if they do not their child cannot be excluded from this activity.*
