26<sup>th</sup> September 2025

Dear Parents and Carers,

### **Year 5 visit to Jubilee Park – Monday 6<sup>th</sup> October 2025**

We're excited to let you know that Year 5 will be heading to **Jubilee Park on Monday 6<sup>th</sup> October** as part of our Design and Technology topic on '**Structures**'.

This term, the children are working on a fun and creative project: designing a piece of playground equipment for our local area. To help inspire their ideas, we'll be exploring the structures at Jubilee Park—looking closely at how they're built, how joints are reinforced, and what makes them safe and enjoyable to use.

During the visit, children will have the chance to:

- Explore the park
- Observe different types of frame structures
- Take notes and sketches to support their design work back in class

As this is a local trip, we already have general consent for all children, so you don't need to return a permission slip. However, **if your child's medical information has changed recently**, please contact the school office as soon as possible so we can update our records.

We're really looking forward to this hands-on learning experience—it's a great way to bring the curriculum to life and spark some brilliant design ideas!

Thank you for your continued support.

Kind regards,

**Miss Halls and Mx Colley**

*Year 5 Team*
