

Experiences

Going to The Mayflower in Southampton to watch The Lion, The Witch and The Wardrobe.
Swimming in our on site pool!

Computing

In computing, we will be revisiting coding. This will entail the use of creating and building a game using scratch.

Physical Education

In P.E, both classes will be participating in swimming lessons on site in the purpose built swimming pool and taught by swimming instructors.

English

In English, we will be reading The Lion, The Witch and The Wardrobe
We will then be writing a diary entry from Lucy's point of view, to describe Narnia.

Personal Development

This half term, the children will be learning about caring friendships and respectful relationships. With a focus on respect and boundaries.

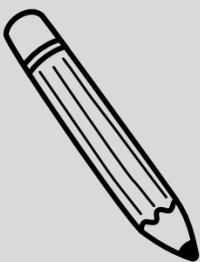

Religious Education

In R.E we will be studying the concept of Angels. Children will investigate what is meant by Angels and why they are important to the Christian faith.

Year 4 Curriculum Overview

Curriculum Overview

Autumn 2

Maths

In maths, we will be starting the term looking at perimeter and then we will move on to our 3,6 and 9 times tables.

DT

This half term in DT we will be designing and making a whole class pop-up book based on The Lion, The Witch and The Wardrobe. The children will make levers and pivots, as well as ensuring it looks aesthetically pleasing.

Geography

Our key question this half term is: 'Is Southampton a gateway to the world?' We will be looking at the key characteristics of Southampton and compare this to the open countryside.

Science

In Science, we will be starting our new topic of Mixtures and Separating them. We will be investigating what makes a mixture, if a mixture can be reversed and learning what dissolving means.

French

In French, we will be practising our vocabulary linked to French culture.
