Open Box Theatre - Ancient Greeks workshop

Hampshire Fire Service

Swimming in our on site pool!

Visit from Hart Plain Church

Computing

During this exciting unit, children will be using Scratch to program a code which contains a repeating loop. Each week, children will be completing this following step-by-step instructions to create a jumping game.

Physical Education

This half term children will be taking part in swimming lessons which are being run by an external provider in their pop up swimming pool. Pupils will also take part in P.E with Mr Mayne.

English

This half term, children are going to be writing a narrative based on the battle scene in the Disney film Hercules. They will then be writing a diary entry from the perspective of a soldier at the Christmas Truce.

Personal Development

For PDL, we will be discussing how we can value differences and make our school inclusive. We will look at two texts: The Name Jar and Little People, Big Dreams: Rupaul.

Religious Education

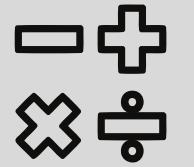

In R.E this half-term we will be looking at 'The Magi'. We have some practical activities planned to represent the story in a creative way. We are also having a visit from Reverend Kate linked to this unit.

95 Curriculum Overview

Autumn 2

Maths

In maths, we will have a short unit on negative numbers and then move on to multiplication and division. We will build towards solving some multi-step word problems.

Art

In Art this half term, we will be looking at an artist called Georgia O'Keefe. We will be using her work as inspiration to create two outcomes - a shell painting and a nature inspired clay tile.

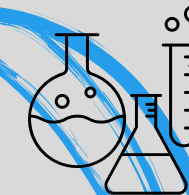

History

In History this half term children will be considering whether Ancient Greece has left a legacy on today's modern society. They will be discovering this through hands on activities and research projects as well as a visit from Open Box.

Science

In Science, we will be looking at EVOLUTION! We are very excited to say that we will be making fossils. We will then become Palaeontologists to go and collect our fossils and study them.

French

In French, children will be learning about the weather. Pupils will be learning how to speak, write and read the weather forecast in French. At the end of the unit, pupils will create their own weather forecast that they will read aloud.
