

## Experiences

Open Box Visit

Visit from the Rabbi to discuss the celebration of Passover in Judaism

## Computing

In computing, we will be using Purple Mash to create our own digital music. Children will use different sound buttons and techniques to create their own rhythm.

## Physical Education

In P.E, during our class teacher led sessions we will be focusing on learning and composing Egyptian dance. Our second PE session will look at tennis skills.

## English

In English, we will be using the text stimulus of Marcy and the riddle of the Sphinx to inspire the children to be able to write a recount of an adventure in the form of a letter.

## Personal Development

This half term, the children will be learning about staying safe online, how to behave online and how to recognise the risks of being online.

## Religious Education

In R.E we will be studying the concept of Passover and the Exodus of the Jews and why freedom is important in the Jewish faith.

## Year 4

## Curriculum Overview

## Spring 1

## Maths

In maths, we will be starting the term looking at our 7 times tables. We will then look at relationships between multiples before moving onto coordinates.

## DT

This half term in DT we will be designing and making a variety of dishes to coincide with the Ramadan festival.

## History

In History, we will be learning all about Ancient Egyptian culture and beliefs. From the mummification process through to the journey into the afterlife.

## Science

In Science, we will be looking at digestion. From how food is broken down in our mouths and the journey the food takes to either be used as fuel or excreted as a waste product.

## French

In French, we will be practising our vocabulary linked to French seasons and what the weather is like during the seasons.
