

## Experiences

Mary Rose Trip - linked to our learning about the Tudors

Tudor art gallery - linking to our outcome in art

## Computing

In computing this half term children will start by playing and evaluating a range of games on Purple Mash. They will then design their own game thinking about playability other components such as: setting, game features and instructions.

## Physical Education

This half term in PE, Year 5 will be doing athletics, learning lots of new skills and techniques including running, jumping and throwing. They will also enjoy games on how to be a good sports leader in their PE session on Thursday.

## English

This half term we are focusing on the book 'Pride', which is a biography based on the story of Harvey Milk. Harvey Milk was an activist fighting for gay rights. The children will be writing their own biography based on his remarkable life.

## Personal Development

In PDL this half term children will be exploring about Rights and Respect. They will look at different scenarios, sources and situations and discuss what our rights and responsibilities are. We will be looking at good and bad decisions and how to treat people fairly.

## Religious Education

In R.E, we will be looking at the key concept of community with reference to the religion of Islam. Specifically, we will look at the importance of both the Hajj and Zakat as part of the Five Pillars of Islam.

# Y5 Curriculum Overview

## Summer 1

## Maths

We are very excited to say we are starting our new unit of FRACTIONS! In this unit, we will explore fractions in great detail using different operations and having lots of fun with our representations.

## Art

In art, our unit will link with our history topic of the Tudors. We will have our photographs taken dressed as Tudors on our trip to the Mary Rose and we will work towards turning these into Tudor portrait paintings. These will be shown in our Tudor art gallery at the end of the half term.

## History

In History this half term, the children will be studying the Tudor period. They will be looking at what life was like in the 1500s. Children will be studying topics such as the Tudor monarchy, the Battle of Bosworth and the Mary Rose. We are even going on a trip to the Mary Rose itself!

## Science

In Summer term 1, we will be continuing our topic of space. In particular, we will be looking at the phases of the moon, the moon surface, stars and asteroids. We have some exciting activities planned to show what is happening in our universe.

## French

By the end of this unit pupils will have the knowledge and skills to present both orally and in written form, about what food they like and dislike and practise ordering from a cafe in French.
