24th April 2026

Dear Parents and Carers

Year 3 Chocolate Workshop on Thursday 14th May 2026

To support our learning in Geography on 'Fair Trade', the children will be taking part in a chocolate workshop. This will involve using real cocoa pods and beans, learning where chocolate comes from, the process from bean to bar and the importance and science behind tempering chocolate.

There will be some chocolate tasting using all the senses, finishing with some branding and hands-on chocolate making in the form of a chocolate pizza, which they get to take home at the end of the day.

The workshop will take place on Thursday 14th May 2026 and will be held in school; children are required to wear school uniform.

We ask for a contribution of £11.00* per child, to cover the cost of the workshop and enable your child to bring home their chocolate pizza.

Please visit the Arbor Parent App to make a contribution and complete the [online consent form](#) by Friday 8th May. Due to new laws around food labelling, we must have individual permission for children to consume these products. If we do not receive permission, then we will not be able to allow your child to take part.

Please find the ingredients used within the confectionery that the child will be tasting below:

**In line with the Governors' Policy on charges for school visits, we are obliged to inform you that parents cannot be required to make such a contribution, and that if they do not their child cannot be excluded from this activity.*
